 - i. Presentation from SENG's April webinar. The topic *Stress, Anxiety and Gifted: Coping With Everyday Life*, presented by Michele Kane, Ed.D, (please visit SENG website to read Michele Kane's bio).
 - ii. The topic will be: Topic information as reproduced from the SENG website: Stressors in the life of a gifted child abound. Perfectionism, sensitivities, moral concerns, peers, expectations, and career confusion are only some of the issues facing gifted youngsters. This SENGinar examines the sources of stress as well as explores specific strategies designed to minimize stress and develop self-awareness. Since each gifted child has a unique, differentiated profile of affective characteristics there will be a discussion surrounding matching specific strategies to specific affective profiles to reduce stress and enhance well-being.
